

(2) Any eligible material for which payment from a biomass conversion facility was received before the application for payment under this subpart is received and approved by the FSA county office, as specified in § 1450.104;

(3) Any woody eligible material collected or harvested outside contract acreage that would otherwise be used for higher-value products; or

(4) Any otherwise eligible material collected or harvested outside contract acreage that, after delivery to a biomass conversion facility, its campus, or its affiliated facilities, must be separated from an eligible material used for a higher-value market product in order to be used for heat, power, biobased products, or advanced biofuels.

§ 1450.104 Signup.

(a) Applications for participation and requests for payments under this subpart will be accepted on a continuous basis.

(b) An eligible material owner must apply to participate in the matching payments component of BCAP before payment for the eligible material is received from a qualified biomass conversion facility. The application must be submitted to the FSA county office and approved by CCC before any payment is made by the qualified biomass conversion facility for the eligible material.

(c) Applications must include the following:

(1) Based on information obtained from contracts, agreements, or binding letters of intent:

(i) An estimate of the total dry tons of eligible material expected to be sold to the qualified biomass conversion facility;

(ii) The type(s) of eligible material that is expected to be sold;

(iii) The name of the qualified biomass conversion facility that will purchase the eligible material;

(iv) The expected, fair market, per dry ton payment rate the owner plans to receive for the delivery of the eligible material; and

(v) The date or dates the eligible material is expected to be delivered to the qualified biomass conversion facility.

(2) A new or amended conservation plan, forest stewardship plan, or equivalent plan, as specified in § 1450.103.

(d) Eligible material owners who deliver eligible material to more than one qualified biomass conversion facility must submit separate applications for each facility to which eligible material will be delivered.

(e) After delivery, eligible material owners must notify CCC and request the payment. Payments will be disbursed only after delivery is verified by CCC.

(f) Information that must be submitted to CCC in order to request payments includes settlement, summary, or other acceptable data that provide:

(1) Total actual tonnage delivered and a total dry weight tonnage equivalent amount determined by the qualified biomass conversion facility using standard moisture determinations applicable to the eligible material;

(2) Total payment received, including the per dry-ton payment rate(s) matched with actual and dry weight tonnage delivered; and

(3) The qualified biomass conversion facility's certification as to the authenticity of the information.

§ 1450.105 Obligations of participant.

(a) All participants whose payment application was approved must agree to:

(1) Carry out and certify compliance with the terms and conditions of the payment application including adherence to a conservation plan, forest stewardship plan, or equivalent plan, as appropriate; and

(2) Be jointly and severally responsible, if the participant has a share of the payment greater than zero, with other contract participants for compliance with the provisions of such contract and the provisions of this part, and for any refunds or payment adjustments that may be required for violations of any of the terms and conditions of the BCAP contract and this part.

(b) [Reserved]

§ 1450.106 Payments.

(a) Payments under this subpart will be for a term not to exceed 2 years beginning the date that CCC issues the
